

2026 EARLY INTERVENTION & PRESCHOOL CONFERENCE

Strengthening Connections. Creating Possibilities.

October 19-21, 2026

Hyatt Regency Birmingham-The Wynfrey Hotel

Dedicated Motor Track for PTs and OTs

Thanks to a grant from the United Cerebral Palsy Research Council, this year's Early Intervention and Preschool conference will offer sessions specifically geared toward motor therapists. Content will be intermediate to advanced. Speech-Language Pathologists or any others interested in these topics may also attend. There is no additional charge to attend sessions in the motor track.

Featured sessions include:

What's New in the Follow-Up Care for Premature Infants

Kimberlly Stringer, MD, MPH; Amelia Schuyler, MD, MPH; Chantel Jno-Finn, PT, DPT; Maegan Guven, MS, RD; and Margaret Summersell, MS, RD

Transdisciplinary Perspective on Early Feeding Milestones

Rachel Kassel MD, PhD; Lynzee Head, DO; and Kelli Chaviano, DO

From Challenge to Possibility: Early Intervention Strategies for Infants & Toddlers with Prenatal Substance Exposure (PSE) (Tuesday Keynote) and Partnering with Families: Interprofessional Strategies to Support Infants with PSE Through Everyday Routines (Breakout session)

Christy Isbell, PhD, OTR/L

Seeing Beyond the Eyes: Understanding Cerebral Visual Impairment (CVI) & Supporting Functional Vision: Engagement, Exploration, and Participation in Children with CVI
